

Premier of Ontario - Première ministre de l'Ontario

June 26 – 29, 2017

## **A PERSONAL MESSAGE FROM THE PREMIER**

On behalf of the Government of Ontario, I am delighted to extend warm greetings to everyone attending the Hospitality Industry Technology Exposition and Conference, produced by Hospitality Financial and Technology Professionals.

I want to recognize the Hospitality Financial and Technology Professionals and its members for the vital role they play in fostering a global network of interest and expertise in the finance and technology segment of the hospitality industry. I am very pleased that association members and stakeholders from around the world will once again have the opportunity to come together to network with colleagues, learn from experts, and share the latest developments in the field.

I want to thank all those who have lent their time and energy to making this conference possible, including the organizers, the distinguished speakers, and the sponsors and exhibitors.

To those visiting Toronto: I offer you a warm welcome to our province's capital. I hope you enjoy the city's restaurants, exciting attractions, and vibrant cultural life.

Please accept my best wishes for what I am sure will be four memorable days of lively and productive discussion.
